PEPP DISTINGUISHED SERVICE AWARD

The MSPE Professional Engineers in Private Practice (MSPE-PEPP) presents the PEPP Distinguished Service Award to an engineer who has made an outstanding contribution to the advancement or recognition of the role of private practice in serving the public interest.

Award: The award consists of an engraved plaque mounted on walnut.

Qualifications/Method of Selection: Any MSPE member, except current officers of MSPE/PEPP or members of the PEPP Awards Committee, is eligible. Nominations for the Award may be made by an individual member of PEPP, the PEPP Board or any MSPE Chapter. Major consideration is given to the manner and extent that the private practice of engineering in Missouri has benefited as a result of the nominee's influence and contributions. Members of the PEPP Awards Committee select the recipient with the concurrence of the majority of the members of the PEPP Board. It is not required that an award be made annually but, instead, that awards be made not more than once a year.

Presentation: The award is presented at the MSPE Annual Convention.

Nomination Format: Must be submitted on the prescribed form. Two black and white photos (preferably 5X7) must be attached.

MSPE's PEPP Distinguished Service Award winner will be nominated for either the NSPE PEPP Award or the NSPE PEPP Merit Award depending upon their qualifications.

The NSPE PEPP Award focuses on an engineer that has made an outstanding contribution to the advancement or recognition of the role of private practice in serving the public interest. Major consideration is given to the manner and extent that the private practice of engineering in the United States has benefited as a result of the nominee's influence and contributions. The PEPP Merit award is given to recognize the nominee's contributions on committees, liaison functions, joint activities or endeavors at the state or local level.

Deadline: All nominations must be received by the PEPP Awards Committee at the address below, no later than March 31.
