

Missouri Society of Professional Engineers

Online Advertising Contract

The Missouri Society of Professional Engineers (MSPE) publishes career opportunities on the MSPE website at: <https://mspe.org/job-postings>. Classifieds must advertise a legitimate job opening for registered professional engineers or engineering-interns and provide the exact qualifications sought by the employer, a valid Request for Proposal or Request for Qualifications for a bon a fide project or advertise a product/supply used by the engineering profession. Pricing per word: The first 40 words or less is \$25.00. Each additional 20 words or less are charged \$15.00, with a cap of \$100. Online job postings last 60 days. Please send advertising information via email to rnincehelser@mspe.org. Please contact Rachel Nincehelser at 573-636-4861 if you have any questions.
